ABOUT THE FOUNDATION

The Immanuel Foundation, a 501(c)(3) nonprofit organization, was founded in 2018 to raise funds to serve seniors in Montana through Immanuel Lutheran Communities in Kalispell. Begun in 1957 as the Lutheran Home, Immanuel was established as a ministry of area Lutheran congregations. It embraces residents, staff, and partners from all faith backgrounds, while maintaining an active relationship with its founding denomination. Being rooted in a faith tradition means that Immanuel sees its work as ministry.

Nearly 20% of Flathead County's population is over 65 years old, and that number is expected to rise rapidly in the coming years. The Foundation cultivates a community of philanthropy and raises charitable support for Montana's seniors and those who care for them. It views all Montana seniors as equally deserving of safe, secure homes in vibrant communities.

CARING FOR SENIORS

What if every senior felt supported in times of need?

All seniors—even those of limited means—should have safe, secure homes in engaging and supportive communities. Immanuel's commitment to seniors goes beyond providing food, shelter, and medical care. In addition to bridging the gap between Medicaid coverage and actual costs of high-quality care, the Immanuel Foundation funds support whole-person wellness and hospice care.

Immanuel has "the best people."

—Delsie Brooks, Immanuel Skilled Care Center resident

CARING FOR PEOPLE WHO CARE FOR SENIORS

What if caregivers received care in turn?

Caring for seniors truly takes a village. Nearly 300 full- and part-time caregivers and support staff—from nurses and aides to maintenance technicians and fitness instructors—ensure that residents receive the highest quality care. In recognition of that dedication, the Immanuel Foundation funds support professional development and provide assistance to staff members in times of crisis.

"Thank you very much for my scholarship towards nursing school. I am very humbled and appreciative of your generosity. The funding is a blessing to my family."

—Megan Krupp, CNA and LPN student

CREATING SAFE AND SUPPORTIVE ENVIRONMENTS

What if places themselves instilled security and joy?

Our community's living, caregiving, and worship spaces are designed with individual well-being in mind. New construction, infrastructure updates, and modernization of amenities are ongoing needs for Immanuel's campus. The Immanuel Foundation funds support the creation of physical environments that our residents are happy to call home.

"The board envisioned a community where seniors could live an active, worry-free life in a supportive, loving, and caring environment."

—Polly Nikolaisen, Buffalo Hill Terrace resident and former Immanuel board member
